ORDER

On November 20, 2000, an Order was entered herein which partially sustained Respondent's Motion to Dismiss, as it related to Petitioner's initial proposed resolution on the basis that the original requested resolution had been satisfied.

The Order of November 20, 2000, further ordered Petitioner to provide, on or before December 20, 2000, records and information relative to Petitioner's new requests contained in Petitioner's filing on or about November 13, 2000. Petitioner has failed to provide the information as ordered.

On or about January 9, 2001, Respondent filed a Motion to Dismiss Petitioner's request for Due Process on the basis that Petitioner has not provided any information relative to the reimbursement of expenditures sought by Petitioner. Also, on or about January 9, 2001, Respondent filed a stipulation indicating that Respondent will provide compensatory education as follows:

The District will provide compensatory education on Tuesdays and Thursdays for thirty-one (31) days beginning January 10, 2001. The compensatory education will be in the ECSE classroom and will include thirty (30) minutes of speech two (2) times a week in the speech room, and fifteen (15) minutes of language a week in the ECSE classroom. The compensatory education will be completed at the end of 2000/2001 school year.

The compensatory education to be provided by Respondent appears to be compatible with the request for compensatory services requested by Petitioner on or about November 13, 2000.

Based upon the above, It is hereby Ordered that Petitioner's Request for Due Process is

hereby dismissed. Respondent shall provide the compensatory education to Petitioner as set forth above.
